Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Sunday 24 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and sunny on Monday.

This Evening and Tonight:
It will remain largely dry and clear through this evening and overnight, aside from the odd shower in the north and west. Very cold with a widespread frost and the risk of icy patches, perhaps some freezing fog in places. Minimum temperature -6 deg C (21 deg F).

Monday:
Any early fog patches will clear to leave a fine and dry day on Monday with prolonged sunshine. Maximum temperature 3 deg C (37 deg F).

Outlook for Tuesday to Thursday:
Rain and drizzle pushing in from the southwest Tuesday morning with further bands on Wednesday, some drier interludes but remaining cloudy. Windy with heavier rain on Thursday.
